SNAP3

Smoking, Nicotine & Pregnancy Trial

Improving women's
and babies' health

Complete a 5-minute survey to find out if this research could benefit you.

Scan the QR code with your phone or enter <https://tinyurl.com/2p8rj4s4> into your Internet browser to find out more about the study.

OR ask the clinic staff to tell you more about the study – they will give you a survey to complete.

If you are interested in this study, or have any questions, please ask the clinic staff.
