Patient Advice and Liaison Service (PALS)

Help for patients,
relatives and carers

PALS is your first point of contact for any help you might need, as a patient, carer or visitor attending the Royal Berkshire NHS Foundation Trust.

What is PALS?

PALS is a liaison service, speaking with wards and departments to provide an answer to your enquiry. This may involve asking a clinician or member of one of the clinical administrative teams (CATs), to contact you directly. We will discuss this with you.

There are many ways that PALS helps patients and their relatives.

Here are a few examples of how PALS can help you:

- If you have a query relating to an upcoming surgery or procedure;
- If you are unhappy with the treatment you or someone close to you is receiving;
- If an inpatient is due to leave the hospital and you are unsure what happens next;
- If you have questions relating to the care your recently deceased relative received.

PALS will aim to provide a reply to your enquiry within 5 working days. Sometimes, it may take longer than this, because we simply need more time to find the answer or because the enquiry is more complicated. When we first speak with you, we will usually be able to tell you if your query will take a little longer to answer. Either way, if we find it is taking longer than expected, we will be in contact with you to keep you informed. We want to do the best we can to help you.

How to contact PALS

Contact us by telephone, email, letter, or by visiting our office (no appointment needed). We are open Monday to Friday 8.30-4.30pm.

Making a formal complaint

You may decide that PALS is unable to help you on this occasion and that you would like to raise a formal complaint. Or we may suggest that your enquiry would be better addressed as a formal complaint.

PALS is happy to discuss this and offer advice.

To raise a formal complaint, you will need to put the concerns in writing (if you haven't already done so via PALS). The details to do so are as follows:

Email us at: complaints@royalberkshire.nhs.uk

Write to us at: **Complaints, Main Entrance, Level 2, Royal Berkshire Hospital, Craven Road, Reading, RG1 5AN**

You can call the Complaints Team on **0118 322 8338**

We will be in contact with you directly to acknowledge your complaint and explain what happens next.

We aim to investigate formal complaints within 25 working days and you will receive a response, either by letter or in a meeting.

Messaging service

PALS also offer a messaging service to enable you to send a message to a loved one while they are in hospital. Your message will be presented using our colourful template, to make it more memorable for the recipient. To do this, please email the PALS team directly.

This document can be made available in other languages and formats upon request.
