

Royal Berkshire Hospital Speech and Language Therapy Guiding Principles

Inclusivity

We ensure a voice for all

Our team is a safe space, where it is ok to make mistakes

Working Together

We celebrate our expertise and share our knowledge

We value each others differences

Encourage Innovation

Aim high

We take risks, opportunities and always try again

Display Passion

We never miss an opportunity to empower others

We will always find something to say “yes” to

Focus on Patient

The patient is at the heart of what we do

We work creatively to enable best patient outcomes
